

## What makes Wey Farm Doggy Day Care different?

- We have a huge amount of experience; we have been established as a dog and cat boarding kennels since 1977
- Your dog doesn't need to be dog friendly. We have several exercise paddocks where individual dogs can run around on their own. (Please note, we never mix dog-aggressive dogs).
- We are flexible. There are no fixed monthly fee systems or minimum day requirements.

As long as the booking is cancelled at least 24 hours before the booking, your credit goes toward a future Day Care or Boarding stay

- We offer a FREE day trial to new customers
- We accept dogs in season and your dog(s) do not have to be neutered or spayed to attend
- We are open from 7 am – 6 pm, whereby you can drop off or collect your dog(s) anytime during this period (please note we are shut between 1-2 pm for lunch)
